Program Name:- 4 Days CREA Training Program.

"**Coaching for Recruitment and Empowerment of Actions**" - A Four days training program was organized by institute for the MCA students from date 3rd April to 6th April, 2015. Total 103 students of MCA participated in this training program.

Institute is associated with "Innovation Unlimited services" Bangalore to organize training program. The trainers invited for CREA were Mr. Dinesh Gosal (Gave training on Presentation Skills), Mr. Sanil (Gave training on Communication skills), Mr. Manjesh S. P. (Gave training on English spoken and Written English) and Ms. Sonal Sharma (Gave training on Quantitative Maths, logical and Analytical Thinking). The objective behind this training program was to make the student from fresher to industry – ready professional. This training program helped students to develop their communication skills, presentation skills, logical and listening skills ability. The academic education of the college makes the student technically very sound but the students are unable to think out of the box. A quality to think differently and innovatively is what most of the companies required. CREA is a course designed by "Innovations Unlimited" to achieve same ends, which makes the students perfect IT professionals. This program was an activity oriented and test based that tested the aptitude, spoken English, written English, articulation and situation reaction skills. This training acted as a confidence booster for the mental and emotional state of students. Through the various activities in training program students are able to think out of the box. They are able to improve their creative

and lateral thinking. This kind of training sessions are always organized by institute for MCA students and the result is that out of 137 student of MCA this year 133 students got an IT.
