#### **7. Mentoring Activities : Global Business Foundation Skill Program**

The Global Business Foundation Skill Program, conducted from September 11th to 15th, 2023, aimed to equip participants with a comprehensive skill set crucial for success in the global business landscape. The program commenced with an introduction led by Dr. Amit P. Patil, Dr. Priyanka V. Bhandari, Mr. Sumit S. Sagale, and Mrs. Sapana S. Yeshi, providing an overview of upcoming sessions. Participants were introduced to the STAR (Situation, Task, Action, Result) technique for effective self-introduction, engaged in interactive problem-solving exercises fostering critical thinking, and participated in activities to enhance listening skills through reverse number counting during the initial session on September 11th. This laid the foundation for effective communication and problem-solving strategies.

The session on September 12th, from 10:00 AM to 12:00 PM, delved into the principles of global advertising led by Mr. Sumit S. Sagale. Dr. Amit P. Patil guided participants in crafting effective international emails, and practical tips for successful international applications were explored. This session emphasized the development of practical communication skills with a global focus on advertising and written communication.

On September 13th, Dr. Priyanka V. Bhandari facilitated a team-building exercise using the Chinese Whisper game to emphasize effective global communication. Creative expression was encouraged through guided drawing activities, fostering cross-cultural understanding. Mrs. Sapana S. Yeshi led a session on essay writing with a global perspective. Participants actively engaged in creative and expressive activities, enhancing teamwork and written expression with a global mindset.

The session on September 14th, conducted by Mrs. Sapana S. Yeshi and Mr. Sumit S. Sagale, focused on logical reasoning and quantitative aptitude. The comprehensive exploration of quantitative aptitude topics aimed at improving mathematical abilities in a global context. Participants gained proficiency in analytical and mathematical reasoning relevant to global business scenarios.

Concluding on September 15th, Dr. Amit P. Patil discussed the importance of proper telephone etiquette in international business settings. Dr. Priyanka V. Bhandari facilitated group discussions promoting effective communication and collaboration in a global context. An engaging session with game-based activities designed to assess and enhance aptitude for global business challenges concluded the program. Throughout the week, participants actively engaged in skill-building activities, gaining valuable insights into communication, problem-solving, teamwork, creativity, and analytical thinking with a global perspective. The Global Business Foundation Skill Program proved to be a holistic and interactive learning experience, providing participants with a diverse skill set essential for success in the global business arena. A total of 55 students benefited from the program.
