

E-Bulletin **Aug-2015**

RCPET's Institute of Management Research and Development, Shirpur

Director's Message:

There are huge challenges in today's global and highly competitive world and we have to ensure that you are ready for them. The mark of any Campus lies in the quality of values it delivers to the rest of the world. These values must always be solid, professional and positive. That is what you were looking for and that is why you have come to the right place. Top-class faculty and contemporary teaching methods are some of the fundamentals that attract top-quality students like you and ensure that when you complete your education, you earn the most rewarding jobs. This, quite simply, is what we offer at IMRD. And that is what sets us apart from the crowd. We have an enviable global network of faculty from across all continents, and we continue to add to that network. We leverage this linkage to create an environment that nurtures educators, enables them to focus on research and promotes out-of-the box delivery systems. Many constructive efforts have been taken to improve our campus result and to groom the students to serve the society. We still believe in Robert Frost's poem

**"The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep."**

Mrs. Vaishali B. Patil
Director

Editorial Message:

It is immense pleasure to present the seventh issue of E-bulletin August-2015 of IMRD.

In order to keep the readers widely interested and updated, we have of course continued the traditions of communicating significant events and activities organized in IMRD.

I sincerely hope that this edition will prove to be an interesting read.

Please feel free to offer any suggestions for improvement via rcpebulletin@gmail.com

Training on “Coaching For Recruitment and Empowerment of Actions” (CREA)

A three day’s training program was organized by IMRD for the MCA 2nd and 3rd year students from 11th to 13th August, 2015. Total 172 students of MCA got benefit of this training program.

IMRD is associated with “Innovation Unlimited services” Bangalore to organize training programs. The trainers invited from CREA were Mr. V. Selva kumar (Gave training on Presentation Skills), Mr. Amit Kumar Monde (Gave training on Verbal ability skills), Mr. Manjesh S. P. (Gave training on English spoken and Written English) and Ms. Sonal Sharma (Gave training on Quantitative Maths, logical and Analytical Thinking).

The objective behind this training program was to make the students industry ready professionals. This training program helped students to develop their communication skills, presentation skills, logical thinking and listening skills ability. The academic education of the college makes the student technically very sound but the students are unable to think out of the box.

A quality to think differently and innovatively is what most of the companies required. CREA is a course designed by “Innovations Unlimited” to achieve same ends, which makes the students perfect IT professionals.

This program was an activity oriented and test based that tested the aptitude, spoken English, written English, articulation and situation reaction skills. This training acted as a confidence booster for the mental and emotional state of students. Through the various activities conducted in training program students are able to think out of the box. They are able to improve their creative and lateral thinking. IMRD always arrange this type of training programs for students per semester.

The Director of IMRD Mrs. Vaishali Patil, Assistant Director and HOD of MCA Department Mr. Manoj Behere, Mrs. Archana Jade, Mr. Narendra Rajput Mr. Manoj Sonwane , Mr. Sumit Bide, Mr. Swapnil Goje, Mr. Amit Patil and Mr. Vishal pawar , Mrs. Vijaya Ahire, Mrs. Chhaya Patil gave their great support to make this event successful.

Induction Program of MCA

Induction Program was organized in IMRD for Second year MCA students as on 27th August, 2015. Induction Program is a formal gathering of new students with a view to introduce them to the overall aspects of the institution. Also it provides them a pathway to reach to their aim and vision of life. The induction program was inaugurated by 'Saraswati Vandana' and lightening of lamp by the hands of Assistant Director and HOD of MCA department Mr. Manoj Behere, HOD of MBM department Mr. Manoj Patel and HOD of UG department Mr. Tushar Patel.

In the beginning of the program Mr. Manoj Behere sir introduced student with the culture of IMRD. In the first session PPT on "Wings of IMRD" was presented for students which briefly introduced campus facilities & various activities conducted in IMRD. In next session PPT on "Technology Procuration", "Puzzle Game", "Bridging Academics & IT Requirements", "Motivational/Inspirational Video", "Being an IT Professional", "Communication Gateway" were presented by the MCA faculties for students.

In the last session different activities and games were organized for students as below:

- Stress Management
- Time Management
- Team Building
- Quiz Competition

After a successful completion of such induction program student feedback was an important process for the institute which gave opportunities to gain their views and opinions which will help institute to improve the quality and standards of provision in the future. All the Second year students delivered thanks to the faculties to organize such a beautiful event for them.

The Director of IMRD Mrs. Vaishali Patil attended the last session of feedback.

Madam welcomed all the new students to IMRD and motivated all students and faculties by her inspiring words.

The anchoring of this event was done by Mrs. Vijaya Ahire. Assistant Director of IMRD Mr. Manoj Behere, Mr. Narendra Rajput, Mr. Manoj Sonawane, Mr. Amit Patil, Mr. Sumit Bide, Mr. Swapnil Goje, Mr. Vishal Pawar, Mrs. Vijaya Ahire, Mrs. Chhaya Patil, Mrs. Archana Jade, Mrs. Raksha Sushir, gave their best support to make this event successful.

Training and Placement Screening Test for MCA 3rd year Students.

Training and placement department has planned new screening test plan through which we are going to select eligible candidates for the placement process. To proceed with the same plan we have conducted different screening test for MCA students in different parts.

Part I: Technical Written Test

First Screening Technical written test was conducted in IMRD as on 19th Aug 2015 for MCA third year students. The Main Aim of this Screening Test is to determine the Programming and Problem solving ability of the student. In this Phase, student's basic knowledge about technical skill is assessed using Technical Written test which is asked on core subjects (C, C++, Java, and Data Structure & Database).

The Technical written test was composed of 100 questions and the duration for this test was 60 Minutes. Each Question carried 1 Mark and one wrong answer deducted 0.25 marks. The test was based on the MCA level Core subject.

Part II: Online Practical Test:

To check problem solving ability of student online practical test was conducted in IMRD as on 20th Aug, 2015. This test was conducted using the "Parikshak" programming tool where some small scale programs using C++ language was solved by MCA 3rd year students.

The duration for this test was 2 hours and carried 100 marks.

Part III: Aptitude, Logical Reasoning and Verbal Ability Test:

Aptitude, Logical Reasoning and Verbal Ability Test was conducted in IMRD as on 22nd Aug 2015.

The main objective of this test was to find the simple aptitude, logical and English knowledge of the students that required in IT Industry. The test was comprised of two sections. Each section carried 50 Marks. First Section belongs to Aptitude and Logical reasoning which contend 50 Questions. Second Section belonged to verbal ability.

On the basis of such screening test we have screened eligible candidates and are going to train them for placement on their interest area.

To conduct this screening test and analyze results of it all the MCA Faculties gave their great support.
