RCPET's Institute of Management Research and Development, Shirpur

## Director's Message:

“The future belongs to those who believe in the beauty of their dreams.”

It gives me immense pride and pleasure to welcome you to Institute of Management Research and Development for imparting quality learning to young aspirants of 21st Century. It is a matter of great pride that the IMRD has made consistent progress, year on year, in academic and co-curricular activities. The level of education offered by this Educational Group is up-to-date, comparable to those of the best institutions anywhere in the world and justifiably appropriate to the needs of the country. Overall development of the individual is the goal of education and we all have to ensure that there is no stone left unturned to equip the student of today for the challenges of life. The institute, by providing the most effective resources and environment, facilitate learning and development of students. We provide our students opportunities to engage in experiments, design work, project work, industrial training and team work to enhance the learning process. Each of our faculty members is ready and willing to work in their research specialty with capable students on individual projects. Our mission is to prepare our students to apply basic and advanced knowledge and skills to the design, analysis and research of management systems; to prepare them to compete successfully in today's job market and for lifelong learning. In addition to great teachers, we also provide our students with an innovative and engaging curriculum. We are proud to be one of the youngest, balanced and experienced faculty groups working at IMRD. The holistic approach of the institute stimulates innovation among students by inspiring fresh ideas with different perceptiveness, creative thinking and strong conviction to achieve true success. I appreciate teaching as well as non-teaching staff and students, who are rendering their wholehearted support and co-operation to make the institute the centre of excellence. I extend my best wishes to all students in their chosen career path. I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

Dr. Vaishali B. Patil  
Director
