Message from the desk of Hon'ble Director, RCPET's IMRD

Prof. Dr. Vaishali B. Patil

**Director,
RCPET's Institute of Management
Research and Development, Shirpur**

Dear Colleagues, Students, and Friends,

As the vibrant colours of autumn give way to the crisp energy of winter, I am delighted to present the September-November 2024 edition of the IMRD e-Bulletin. This issue serves as a testament to the remarkable progress, accomplishments, and dedication of our IMRD family over the past few months.

This quarter has been marked by outstanding achievements, enriching academic activities, and impactful events that highlight our commitment to excellence in education. From ground breaking research contributions and stellar student accomplishments to dynamic workshops, seminars, and community engagement initiatives, each milestone reflects the synergy of innovation and perseverance that defines our institution.

As we embrace the opportunities and challenges of the coming months, I urge each of you to continue striving for excellence. Let us leverage our collective efforts to create a nurturing environment where knowledge, creativity, and leadership flourish. Your dedication, passion, and collaboration are the driving forces behind our continued success.

Thank you for your unwavering support and enthusiasm in shaping the journey of IMRD. Together, let us aspire to new heights and make a lasting impact on our academic and professional community.

Editor's Message

Mr. Dinesh A. Borase

Assistant Professor,
RCPET's Institute of Management
Research and Development, Shirpur

Dear Readers,

As we transition through the inspiring months of September, October, and November, it is with great enthusiasm that I present to you the latest edition of RCPET's IMRD e-Bulletin. These months have been a testament to the vibrant energy, dedication, and achievements that define our Institute.

During this period, we have experienced a whirlwind of activity, from remarkable student accomplishments and impactful workshops to inspiring guest lectures and collaborative initiatives. Each endeavour has not only highlighted the talent and commitment within our IMRD community but also underscored our mission to nurture holistic development and academic excellence.

This issue reflects the collective spirit of our students, faculty, and alumni as they continue to reach new milestones, making a meaningful impact both within and beyond our campus. Their stories of success and perseverance serve as a source of inspiration for us all.

Looking ahead, we are eager to build on this momentum with exciting new programs and opportunities that will continue to empower and inspire our community. As always, we value your unwavering support and encouragement in all our endeavours.

Alumni Speaks

Our alumni are huge assets for the institute and hold significant positions in various national and international reputed organizations in India and overseas. They are a continuous source of inspiration for our students. Our alumni have brought great glory to our institution. Our present students will proudly follow their examples in the years to come and for this we are trying to write about the experiences of our alumni in a column “Alumni Speaks” in every issue of the e-bulletin.

- 1. Name of Alumni** : Nikhil Narendra Thombare
- 2. Qualification** : MCA
- 3. Year of Passing** : 2014
- 4. Company Name & Location** : Dassault Systems, Pune
- 5. Designation** : Team Lead
- 6. Memories from IMRD** : Post-graduation was a transformative phase of my academic and personal life. It provided me with ample opportunities to explore new ideas, broaden my perspectives, and develop skills that have shaped my career. Looking back, I feel immensely grateful for the wonderful learning environment and the various activities that kept inspiring me throughout this journey.
- 7. Journey after IMRD (Starting Job and progress up to current position):** Reflecting on my career journey, one thing stands out: The key to success is taking initiative, learning from every experience, and never being afraid to take on new challenges. There were times when I felt unsure, and the market felt impossible to break into, but those struggles were just stepping stones toward my current success.

For anyone starting their career or looking to grow, my advice is simple:

- Invest time in practical learning
- Contribute more than what is expected of you
- Take ownership of your work and responsibilities
- Seek out environments that encourage personal and professional growth

In my current position, I am fortunate to work in an organization that not only values hard work and innovation but also invests in its employees' growth. The focus on skill-building, mentorship, and

career development has been invaluable, and I've had the chance to take on leadership roles and contribute to the strategic direction of my department.

8. Message for current students of IMRD:

- **Job Market Challenges:** The job market may seem tough, but focus on building skills and gaining practical experience. Opportunities will come if you're prepared.
- **Practical Learning:** Don't just focus on theory—apply what you learn through real-world projects, internships, or freelancing.
- **Take Responsibility:** Go beyond your job description. Take ownership, contribute proactively, and show initiative to stand out.
- **Continuous Learning:** Keep updating your skills. Stay curious, attend workshops, and never stop learning to stay ahead in your career.
- **Find the Right Environment:** Choose work environments that foster growth, creativity, and support. A positive atmosphere will help you thrive.
- **Be Proactive:** Success doesn't happen by waiting. Take charge of your career path, be disciplined, and don't miss opportunities.

9. Message for IMRD Faculty Member: I would like to express my sincere gratitude and appreciation for the outstanding support and guidance you provide to us as students. The dedication and hard work you put into ensuring that we not only complete our syllabus but also gain valuable practical knowledge through demo projects truly make a difference in our academic journey.

We are fortunate to have faculty members who not only teach but also inspire and mentor us, always pushing us to achieve our best. Your passion for education and your willingness to go the extra mile to make sure we succeed makes a huge impact on our growth, both personally and professionally.

Thank you for your continuous support and for fostering a positive and enriching learning environment. We truly appreciate everything you do for us.

10. Anything else you would like to share: Dr. Vaishali Patil Ma'am has always emphasized that our institution is one of the best in the university, providing not only valuable knowledge but also a team of highly skilled and dedicated teachers. Under her visionary leadership, the institution connects students with real-world happenings, ensuring they are well-prepared for the challenges ahead. She has built strong teaching staffs that, in turn, create outstanding students. This is why our graduates continue to shine and make us proud. Additionally, Mam's efforts to keep in touch with alumni, encouraging them to visit and share their experiences, further demonstrate the commitment to maintaining strong connections and showcasing the institution's impact.

Recruiter Insights

At R. C. Patel Educational Trust's Institute of Management Research and Development, we value the perspectives of industry leaders who play a pivotal role in shaping the careers of our students. The "Recruiter Insight" column is our platform to share valuable thoughts, expectations, and trends from our esteemed recruiters. Their expertise and insights serve as a guiding light for our students, helping them align with the dynamic demands of the professional world. We hope this feature fosters a deeper connection between academia and industry while inspiring our students to excel in their career pursuits.

We are delighted to feature insights from Paarsh Infotech Pvt. Ltd., Nashik, a leading name in the IT industry and a valued recruitment partner of our institute for the past three years. Known for their innovation-driven approach and commitment to excellence, Paarsh Infotech has provided our students with exciting career opportunities in cutting-edge technological domains. Their emphasis on nurturing talent and fostering professional growth aligns seamlessly with our mission to empower students for industry readiness. We extend our gratitude to Paarsh Infotech for their continued support and look forward to strengthening this partnership in the years to come.

Mr. Tushar Pagare

The Chief Executive Officer,
Paarsh Infotech Pvt., Ltd., Nashik

1. Testimonial: We had an excellent experience participating in the campus recruitment drive organized by IMRD. The entire process was managed seamlessly, from coordinating schedules to arranging interviews. The professionalism and enthusiasm demonstrated by the placement cell were truly commendable.

The quality of the students we interacted with was impressive. Their technical knowledge, communication skills, and eagerness to learn reflect the strong academic foundation and holistic development they receive at IMRD. We were pleased to meet students who aligned with the values and competencies we seek in our organization.

We appreciate the college's commitment to fostering industry-ready talent and look forward to building a long-lasting relationship. Thank you for the opportunity to collaborate, and we are excited to welcome some of your talented students to our team!

2. Industry Trends Insight:

Technology and Digital Transformation

- **AI and Machine Learning:** Industries are increasingly leveraging AI for automation, data analysis, and personalization. AI is revolutionizing fields like healthcare, finance, and customer service.
- **Cyber security:** With the rise of digitalization, protecting sensitive data has become a top priority, leading to significant demand for cyber security experts.
- **Cloud Computing:** Companies continue to invest in cloud technologies to enhance flexibility and scalability. Hybrid cloud solutions are particularly gaining traction.
- **Micro services Architecture:** This approach is enabling modular, scalable, and maintainable applications.
- **API-First Development:** APIs are being designed as products, ensuring seamless integration and reusability.
- **JavaScript Frameworks:** Frameworks like React, Angular, and Vue.js continue to dominate, with a growing focus on performance optimization.
- **Frameworks like Flutter and React Native:** These tools enable faster development of apps across platforms while maintaining performance.

3. Career Advice: Congratulations on reaching this exciting milestone in your academic journey! Participating in a campus drive is a significant opportunity to take the first step toward building a successful career.

- Know yourself
- Keep Learning
- Set Clear Goals
- Build a Strong Network
- Be Adaptable
- Seek Feedback and Reflect
- Focus on Machine Knowledge and Practical

Academic Excellence : University Merit List Achievers from IMRD

We are proud to announce that students from our MCA, IMCA, BBKA, BBA, and BMS programs have secured top positions in the university merit list. Their dedication and outstanding performance reflect the academic excellence nurtured at IMRD. Congratulations to all achievers for this remarkable achievement.

MCA Bridge Course and Induction Program

- **Name of the Event** : MCA Bridge Course and Induction Program
- **Date of Event** : 4th to 14th September 2024.
- **Conducted by** : MCA Department
- **Venue** : Auditorium Hall

MCA Department of the Institute organized Bridge course for MCA fresher's from 4th to 14th September 2024. The objective of this program was to prepare newly admitted students for the new stage in their life by facilitating a smooth transition from their home and school environment into the college environment through various discussions and activities. At the start of the MCA program, before commencement of the First semester, students must undergo bridge course in which basics of computers were introduced to students. Various sessions were organized for students through which they came to know the importance of different subjects in academics such as:

Computer Fundamental: Basic concepts of Computer fundamental was taught by Ms. Dipali Nhalde madam and Mr. Rahul Badgujar sir. This was useful for the students those who are from non-computer background.

Mathematical Foundation Concept: Basic Maths, tricks and tips were shared by faculty members Mrs. Dhanshree Patil and Mrs. Chhaya Patil to the students.

Current Trends: Latest technology used in IT industry was the main concern of these sessions. Faculties from MCA Mrs. C. S. Patil & Mr. V. M. Patil taught students about Bootstrap, AngularJS, JQuery, Node.js, Mobile Computing, and Python.

Importance of English Communication: This session was conducted by Mrs. Raksha Sushir. In this session students were trained on importance of communication skills, Body language and various Soft Skills required for Placement.

Universal Human Value: Total 8 different sessions conducted on Universal human value by Mrs. Elizabeth Janve and Mrs. Archana Jade. Various values and ethics were covered through different activities such as: Peace, Love, Gratitude and Appreciation, Kindness and Compassion. The power of Integrity, Caring and Sharing, Growth, students gave active participation in all activities conducted in bridge course.

Time Management Activity: To help students develop effective time management skills that will aid them in their academic and professional life. Mr. V.M.Patil , Mrs. Dhanashree Patil, Ms. Roshani Baviskar and Ms.Vaishnavi Suryavanshi has conducted time management activity.

Teamwork & Collaboration Activities: To instil the importance of teamwork and collaboration in academic projects and professional workspaces team building activity was organized by Ms. Dipali Nhalde Mr. Shriyash Patil and Mr. Harshal Bhamare.

Day 1 : Peace

Day 1 Session was begun with Universal Human Value topic Peace. Training and Placement officer Mrs. Archana Jade and Mrs. Elizabeth Janve started a session with the most important thing in all human life that is Peace. Absolute Peace manifests as inner mental calm, and the ability to maintain equanimity in all situations. Beautiful video was shown to students how to keep our self-peaceful while lot of things are destroying life.

Peace - Silent Short Film

<https://www.youtube.com/watch?v=uqvSDTtN2WA>

After interactive discussion on video students were divided in groups and made wonderful posters through which they have defined Peace.

Mrs. Archana Jade and Mrs. Elizabeth Janve conducting the activity

Poster making activity to represent Peace

Day 2: Goal Setting and Love

The second day of Bridge course was started with the session on Goal Setting. Through goal-setting, students have learnt to focus on time and resources more efficiently. In addition, by referring to the goals, students have gained motivation when they may feel lack motivation or simply want to give up. Mrs. Archana Jade madam talked about short term and long term goals in student's life. Students wrote their goals on the given pages and promised to themselves they will start taking action against it. On the same day second session on Universal Human Value was conducted by both the resource persons Mrs. Elizabeth Janve and Mrs. Archana Jade presented a beautiful video on topic Love and had 10 min discussion on video. After this discussion, students were divided in groups and each group one by one talk about their loved one.

Mrs. Archana Jade conducting the session on goal setting

Students carrying out discussions based on the activity

Day 3: Basic Internet

A fundamental of Internet was taught by Faculty members Dr. A. P. Patil and Mrs. Rohini Patil. To continue exploring the huge resources available on the internet for learning and professional growth was discussed in this session.

Key Points Covered:

- Basic concepts of Internet.
- How to use online research tools effectively.
- Introduction to e-learning platforms and resources.

Basics of OOP's Concepts: In Technical interview mostly the interview questions are based on OOP concept. In this bridge course students were trained with all main features of OOP such as Inheritance, Types of Inheritance, Polymorphism, Run Time Polymorphism, Compile Time Polymorphism, Abstraction, Encapsulation, What is Class, What is Object? Constructors, Destructors and Overloading constructors.

Dr. Manoj Sonwane conducting session on Basics of Opp's Concept

Dr. Amit Patil conducting session on basics of Internet

Day 4: Kindness and Compassion

Mrs. Archana Jade and Mrs. Elizabeth Janve conducted session on Kindness and Compassion. Those who are kind and compassionate are more satisfied with their lives, have better physical and mental health, and have stronger relationships. Being kind and compassionate can help other people, and make you feel good too, was taught by both the resource persons. After watching beautiful video on kindness and compassion students were divided in groups. All the students presented role play through which they show how Kindness and Compassion is the most important factor in every human life.

Students participating in kindness and compassion activity

Library Orientation Program” was organized for the first year students of MCA during induction program. In this program, all the newly enrolled students were given information of Reference Books & Text books, Research journals, magazines available in the library collection. Information regarding Library facilities such as Digital library with various E-resources i.e. DELNET, NDLI, Shodhganga and other free e-resources was provided. Air Conditioned Reading hall is also made available for student's study purpose. Awareness of Circulation Service, library time table, OPAC, MOPAC available in the library was also created through PPT presentation. The objective of this program was to make aware new students with library collection, functioning of library and also rules & regulations of the library. It helped students to make use of library resources effectively and efficiently.

Mrs. Kavita Patil addressing students

Day 5: Integrity

Integrity is the most important universal human value which helps to become successful in every aspect of life. Mrs. Elizabeth Janve and Mrs. Archana Jade taught integrity value to students in beautiful manner. Integrity means living life with the values of honesty, trust, fairness, respect and responsibility, through good and bad times. Students understood the concept and gave unbelievable responses during activity. During this session one small video was shown to students which included the story of Integrity.

Video link for the power of Integrity:

Students creating and presenting their posters in the activity

Day 6: Caring and Sharing

On the 6th Day universal human value “Caring and Sharing” session was conducted for students by Mrs. Elizabeth Janve and Mrs. Archana Jade. It elaborated that “We are all connected and dependent on each other, and the actions we take affect the lives of others as well as our own. The human race is social by nature. We need other people to feel complete. We like to share experiences and ideas, things and we like to be around others who are similar to us”, was taught to students. Wonderful video was shown to students which gave the message how caring and sharing is important.

Caring and Sharing

<https://www.youtube.com/watch?v=icSaxZP4r-c>

Human evolution has two steps - from being somebody to being nobody; and from being nobody to being everybody. This knowledge can bring sharing and caring throughout the world with this note student had been divided into groups. Students created beautiful presentation on caring and sharing. Proficiency Module-5: Current Trends Mr. Vitthal Patil and Mr. Vivek Chavan conducted session on Current Trends to further explore the impact of technological advancements in real-world applications.

Key Points Covered:

- Practical applications of AI and machine learning.
- How current trends are reshaping industries like healthcare and education.

Technical test conducted by the faculty members

Mr. Vivek Chavan conducting session on current trends

Day 7: Growth

Session on personal growth and career growth was conducted by both the resource persons. On this day video was shown to students. Through this activity few tips on Team Work, Body language, Learning Attitude, Adaptability, Flexibility were shared to students for their Career growth. Each student in group has to find out strong points of them which will be helpful to achieve their career goals. Students need to talk in groups about their career goals and planning for the same.

Talent Hunt

To provide students with an opportunity to showcase their talents and boost their confidence. Mr. Vishal Pawar, Dr. Manoj Sonwane, Ms. Prerana Patil, Ms. Punam Mandalik conducted various activities through which students able to showcase their talent.

Key Points Covered:

- Encouraging students to participate in cultural activities
- Identifying and nurturing creative talents

Mr. Durgesh Mali showcased his talent in singing Mr. Mangesh Hire showcased his talent in singing

Students showcasing their talents on the stage

Mehandi competition at talent hunt

Day 8: Importance of Communication

This session was conducted by Mrs. Raksha Sushir. In this session students were trained on importance of communication skills, Body language, Soft Skills required for Placements.

Felicitations of guest by Dr. Vaishali B. Patil

E-Poster Competition Report

- **Name of the Event** : E-Poster Competition
- **Date of Event** : 14th September 2024
- **Conducted by** : NSS Unit and Student Development Department
- **Venue** : Classroom

The NSS Unit and Student Development Department of our institute organized an E-Poster Competition on Saturday, 14th September 2024, in celebration of the birthday of Hon. Shri Amrishbhai Patel. The competition featured three impactful themes:

1. **Blood Donation**
2. **Light/Sound Pollution**
3. **Sustainable Environment**

Dr. Rupali Agrawal graciously served as the judge for this event, ensuring a fair and insightful evaluation of all entries. The competition witnessed enthusiastic participation from 61 students, who showcased their creativity and awareness through thought-provoking e-posters.

The winners of the competition are as follows:

| Sr. No. | Student Name | Class | Topic | Rank |
|---------|--------------------|-------|-----------------------------------|------|
| 1. | Komal Sonawane | SYBBA | Eco-tourism: Revenue & Prosperity | I |
| 2. | Rajshree Kavishwar | SYBMS | Sustainable environment | II |
| 3. | Kaveri Shinde | SYBCA | Blood Donation | III |

The event's success was a testament to the dedicated efforts of the organizing team, including:

Dr. Y. C. Shethiya (NSS Officer), Dr. M. S. Sonawane (Student Development Department Officer), Mr. Vijay Garge, Mr. Vitthal Patil, Mr. Sachin Surana, Mrs. Chhaya Patil, Mrs. Rohini Patil, Mrs., Dhanashree Patil, Mrs. Suvarna Chaudhari, Mrs. Jyotsana Mali, Ms. Harshada Chaudhari, Ms. Vishakha Magar, Ms. Suchita Jadhav.

Their collective efforts ensured the seamless organization and execution of the competition. Events like this not only highlight students' creativity and awareness of critical issues but also foster their sense of social responsibility and innovation, leaving a lasting impact on the participants and the community.

Blood Donation Camp.

- **Name of the Event** : Blood Donation Camp
- **Date of Event** : 14th September 2024
- **Conducted by** : NSS Unit and Student Development Department
- **Venue** : Near S. M. Patel Hall

On the auspicious occasion of Hon. Amrishbhai Patel's birthday, a Blood Donation Camp was successfully organized on September 14, 2024, at the R.C. Patel Educational Trust's Institute of Management Research and Development, Shirpur. The event was a collaborative effort of the Institute's National Service Scheme (NSS) unit, the Student Development Department, and Navjeevan Blood Center, Dhule. The inauguration ceremony was graced by the esteemed presence of the organization's Secretary, Shri Rajgopal Bhandari; the Director, Dr. Vaishali Patil; MCA/IMCA Department Head, Mr. Manoj Behere; IQAC Coordinator, Dr. Manoj Patel; and the heads of the BCA, BBA, and BMS departments, Dr. Tushar Patel. Under the visionary leadership of Dr. Vaishali Patil, the Director, and the tireless efforts of the dedicated staff, the camp was a resounding success. Special thanks are extended to Indira Gandhi Memorial Hospital, Shirpur, for their invaluable support. Particular recognition goes to Dr. Sunil Chaudhari, Blood Collection Officer of Shri Navjeevan Blood Center, Dhule, and Mr. Arvind Rajput, Chief of Blood Storage at Indira Gandhi Memorial Hospital, for their crucial contributions to the event's success. The blood donation process commenced with blood group and hemoglobin testing. A total of 135 staff members and students registered for the camp, of which 69 generously donated blood. Each donor was honoured with a certificate of appreciation and refreshments as tokens of gratitude. The camp's seamless execution was made possible by the efforts of NSS Coordinator, Dr. Y.C. Shethiya; Student Development Department Coordinator, Dr. M.S. Sonawane; and a dedicated team comprising Mr. Vijay Garge, Mr. Vithal Patil, Mr. Sachin Surana, Mrs. Chaya Patil, Mrs. Rohini Patil, Mrs. Dhanashree Patil, Mrs. Suvarna Chaudhari, Ms. Jotsana Mali, Ms. Harshada Chaudhari, Ms. Vishakha Magar, and Ms. Suchita Jadhav. This initiative not only commemorated Hon. Amrishbhai Patel's birthday but also reinforced the Institute's commitment to social responsibility and community welfare.

Seminar on Cleaning – “Swachhata Hi Seva”

- **Name of the Event** : Seminar on Cleaning – “Swachhata Hi Seva”
- **Date of Event** : 18th September 2024
- **Conducted by** : NSS Unit
- **Venue** : Seminar Hall

As part of the nationwide campaign Swachhata Hi Seva, the National Service Scheme (NSS) unit organized a seminar on cleanliness and waste management for students, aligning with the objectives of the Swachh Bharat Mission. The event aimed to raise awareness about the importance of maintaining a clean environment and adopting effective waste management practices.

The keynote speaker, Mr. Anil Bhamre, Circle Officer of Shirpur Taluka, delivered an insightful address highlighting the intrinsic link between a clean environment and the overall mental and physical well-being of individuals. He emphasized the significance of incorporating cleanliness into daily habits, fostering a culture of mindfulness and responsibility toward maintaining hygiene in all aspects of life. Through his motivational words, Mr. Bhamre inspired participants to adopt and sustain good practices, reinforcing the idea that cleanliness is not merely an occasional activity but an essential component of a healthy and fulfilling lifestyle. The seminar succeeded in instilling a deeper understanding of the pivotal role cleanliness plays in personal and community well-being, leaving a lasting impact on the participants.

Mr. Anil Bhamre, Circle Officer, Shirpur delivered a speech on Cleaning, “Swachhata hi Seva”

Electronic Voting Machine Demonstration

- **Name of the Event** : Electronic Voting Machine Demonstration
- **Date of Event** : 18th September 2024
- **Conducted by** : NSS Unit and Student Development Department
- **Venue** : Activity Hall

The Student Development Department organized an insightful Electronic Voting Machine (EVM) demonstration on 18th September 2024 to raise awareness about the importance of electronic voting among students and the community. The event featured Hon. Anil Bhamare as the resource person, whose expertise added tremendous value to the session.

The primary objective of the program was to educate participants about the significance of EVMs in the modern electoral process. The interactive engagement from students and community members, combined with the speaker's valuable insights, provided a comprehensive understanding of the benefits of electronic voting technology. Participants gained firsthand knowledge through a live demonstration of EVM operation, which effectively highlighted its efficiency, transparency, and contribution to strengthening democratic practices.

The event was successfully coordinated by Mr. Manoj N. Behere, Head of the PG Department; Dr. Manoj B. Patel, IQAC Coordinator; and Dr. Tushar Patel, Head of the UG Department. The efforts of the Student Development Department Officer, Dr. Manojkumar S. Sonawane, along with Mr. Sachin S. Surana, Mrs. Rohini Patil, Mrs. Dhanashree Patil, Mrs. Suvarna Chaudhari, and Ms. Suchita Jadhav, were instrumental in ensuring the seamless execution of the program.

This initiative significantly impacted the students and the community by promoting awareness about modern voting technologies. It emphasized the role of EVMs in enhancing electoral integrity and inspired participants to value their voting rights as a critical aspect of participatory democracy.

Hon. Anil Bhamare, (Mandal Adhikari Holnantha), during the program

Arunavati River Cleaning Drive under “Swachhata Hi Seva”

- **Name of the Event** : Arunavati River Cleaning Drive under “Swachhata Hi Seva”
- **Date of Event** : 20th September 2024
- **Conducted by** : NSS Unit
- **Venue** : Arunavati River in the city

On the occasion of Anant Chaturdashi, Shirpur city witnessed the traditional immersion of Ganesh idols, a ritual celebrated across India to bid farewell to Lord Ganesha after the Ganesh Chaturthi festival. Following the immersion ceremony at the Arunavati riverbed, a comprehensive cleanliness drive was organized to restore the site to its natural state.

This impactful initiative was led by the National Service Scheme (NSS) under the guidance of NSS Program Officer, Dr. Yogesh Shethiya. A total of 48 dedicated volunteers and students participated, working tirelessly to remove submerged idols, floral offerings (Nirmalya), and other debris from the river and its surroundings.

The drive aimed to address the pressing environmental concerns associated with idol immersion, particularly the pollution caused by materials such as plaster of Paris, synthetic paints, and non-biodegradable decorations, which pose significant risks to aquatic ecosystems. The NSS team also focused on sensitizing the local community about the importance of adopting eco-friendly practices during festivals to minimize their ecological footprint.

The initiative not only ensured the cleanliness of the Arunavati riverbed but also set an example for sustainable cultural celebrations. By engaging volunteers in hands-on activities, the drive fostered a sense of responsibility and environmental stewardship among students and the community alike. Such efforts underline the need for collective action to preserve natural resources while respecting cultural traditions. The event demonstrated the powerful impact of collaborative efforts in balancing environmental conservation with religious practices, creating a lasting impression on participants and the broader community.

A cleanliness drive was organized to clean the Arunavati River; it involved 48 dedicated volunteers and students

Rally and Cleaning at Vanaval Village under Swachhata

- **Name of the Event** : Rally and Cleaning at Vanaval Village under Swachhata
- **Date of Event** : 20th September 2024
- **Conducted by** : NSS Unit
- **Venue** : Vanaval Village

As part of the nationwide campaign Swachhata Hi Seva, the National Service Scheme (NSS) unit organized a rally and a cleaning drive in Vanaval village. This initiative aimed to raise awareness about the importance of cleanliness and proper sanitation while actively involving the local community in clean-up efforts. The event effectively united NSS volunteers and local residents in contributing to the broader mission of Swachh Bharat (Clean India).

The program commenced with an awareness rally led by enthusiastic NSS volunteers. Holding banners and placards bearing impactful messages such as "Cleanliness is Next to Godliness," "Say No to Plastic," and "Swachh Bharat, Sundar Bharat," the volunteers marched through the main streets of Vanaval village. Their vibrant slogans emphasized the importance of personal hygiene, proper waste management, and maintaining cleanliness in public spaces. This rally not only captured the attention of the villagers but also inspired them to adopt sustainable practices for a cleaner environment.

Following the rally, the volunteers, alongside local residents, conducted an extensive cleaning drive throughout the village. Together, they removed waste, cleared plastic litter, and educated the community on the significance of proper waste segregation and disposal. This hands-on approach showcased the impact of collective action and encouraged active participation among the villagers.

The rally and cleaning drive under the Swachhata Hi Seva initiative successfully heightened awareness about cleanliness and sanitation in Vanaval village. The event demonstrated the transformative power of community engagement in achieving the goals of the Swachh Bharat Mission. The active involvement of both NSS volunteers and villagers underscored the importance of shared responsibility in fostering a healthier and more sustainable environment. This initiative not only improved the cleanliness of Vanaval village but also set a benchmark for neighboring communities. It highlighted the potential of grassroots efforts in creating a significant, lasting impact on public health and environmental sustainability, thereby contributing meaningfully to the vision of a cleaner, greener India.

DATAHACK 1.0 Competition (Data Science)

- **Name of the Event** : DATAHACK 1.0 Competition (Data Science)
- **Date of Event** : 21st September 2024
- **Conducted by** : TYBCA Students
- **Venue** : Lab II & III

The Purpose of Data Hack 1.0 Competition is to enhance creative work, to widen the mental horizon and promote global outlook. Participation in Data Science based Competition force students to think and make consistent as well as effective presentation of their talent by exchanging thoughts and ideas. The Data Hack 1.0 Competition, focusing on Data Science and Machine Learning applications, was organized by the BCA Department of IMRD for the students of TYBCA. A total of 47 students participated in this exciting event. The Data Hack 1.0 Competition, centred on Data Science and Machine Learning-based applications, was officially inaugurated by Dr. Vaishali Patil, Director of IMRD. During Madam opening remarks, Dr. Vaishali Patil, Director of IMRD commended the students for their hard work and dedication in preparing for the competition. Her appreciation underscores the effort and creativity exhibited by all participants, setting an inspiring tone for the event.

Mr. Manoj Behere, Asst. Director of IMRD, reviewed the projects presented during the Data Hack 1.0 Competition. He provided valuable suggestions aimed at enhancing the quality and impact of the participants' work.

Dr. Manoj Patel, IQAC Coordinator, and Dr. Tushar Patel, HOD of UG Department, reviewed student projects at the Data Hack 1.0 Competition. Their valuable insights and suggestions are guiding our participants toward further development and innovation.

The Data Hack 1.0 Competition was expertly judged by Dr. Asha Patil. She evaluated all the entries individually, providing thoughtful feedback along the way. After careful consideration, Dr. Asha Patil Madam selected the top three teams based on their innovation and creativity. Her insights were invaluable, and we are grateful for her support in recognizing the hard work of our participants.

Awareness Rally on Cleanliness under Swachhata Hi Seva

- **Name of the Event** : Awareness Rally on Cleanliness under Swachhata Hi Seva
- **Date of Event** : 26th September 2024
- **Conducted by** : NSS Unit
- **Venue** : Karwand Naka Premises

In alignment with the national campaign Swachhata Hi Seva, the NSS unit conducted an awareness rally at Karwand Naka premises. The primary aim of this rally was to spread awareness about cleanliness, waste management, and sustainable hygiene practices among the local population. The rally aimed to inspire behavioral change and a sense of responsibility toward maintaining cleanliness in public and personal spaces.

The rally was organized by NSS volunteers, who assembled at the Karwand Naka premises. The event began with a brief introduction by the NSS program coordinator, who highlighted the significance of the Swachhata Hi Seva campaign and the importance of cleanliness for public health and environmental sustainability.

The rally featured volunteers holding banners and placards with powerful messages such as "Keep Your City Clean and Green", "Waste Segregation is Everyone's Responsibility", "Say No to Plastic" and "Cleanliness is the Key to Health". The volunteers enthusiastically chanted slogans like:

- Swachh Bharat, Sundar Bharat!
- Clean India, Green India!
- Plastic ko na bolna, hum sab ka hai farz!

The awareness rally at Karwand Naka premises under Swachhata Hi Seva was a successful initiative that fostered a sense of responsibility toward cleanliness in the local community. The active participation of NSS volunteers and local residents helped spread key messages related to sanitation and waste management. The rally contributed to the overarching goal of the Swachh Bharat Mission and laid the groundwork for future cleanliness activities in the region.

Awareness Rally at Karwand Naka premises under Swachhata Hi Seva

Cleaning Drive at Bus Stand, Shirpur under Swachhata Hi Seva

- **Name of the Event** : Cleaning Drive
- **Date of Event** : 30th September 2024
- **Conducted by** : NSS Unit
- **Venue** : Bus Stand, Shirpur

In line with the national initiative Swachhata Hi Seva and the broader Swachh Bharat Abhiyan (Clean India Mission), the National Service Scheme (NSS) unit organized a cleaning drive at the State Transport (S.T.) Bus Stand in Shirpur. The goal of the event was to improve the cleanliness of the bus stand, which is a key public transport facility used by thousands of people daily, and to raise awareness among the public about maintaining hygiene in such busy areas. The program began with a welcome speech by Mr. Vijay Garge, who set the tone for the day's activities. His speech emphasized the importance of a tobacco-free lifestyle and the role of the youth in achieving this goal.

The cleaning drive began with a gathering of NSS volunteers at the S.T. Bus Stand. The volunteers were briefed about the importance of the activity, focusing on how maintaining cleanliness in public transport hubs not only enhances the travel experience but also improves public health by reducing the spread of diseases. The NSS program coordinator emphasized the role of students and youth in the Swachh Bharat initiative and encouraged everyone to take ownership of the cleanliness of their environment.

The cleaning drive at S.T. Bus Stand, Shirpur, under Swachhata Hi Seva was highly successful in raising awareness and improving the cleanliness of the area. NSS volunteers demonstrated great commitment to the cause of Swachh Bharat by transforming the bus stand into a cleaner, more welcoming public space. The initiative was well-received by bus stand authorities and the local community, with a shared commitment to continue efforts for a cleaner environment.

Cleaning Drive by NSS volunteers at Bus Stand, Shirpur

Cleaning Drive at R.C. Patel ET's IMRD Campus, Shirpur under Swachhata Hi Seva

- **Name of the Event** : Cleaning Drive
- **Date of Event** : 02nd October 2024
- **Conducted by** : NSS Unit
- **Venue** : RCPET's IMRD, Shirpur

As part of the national Swachhata Hi Seva campaign, the National Service Scheme (NSS) unit of IMD, Shirpur, organized a campus-wide cleaning drive. This initiative was aligned with the broader objectives of the Swachh Bharat Abhiyan (Clean India Mission) to foster cleanliness and hygiene in educational institutions. The event aimed to develop a sense of responsibility and active participation among students, staff, and faculty members in maintaining a clean and healthy environment on campus.

The event commenced with a briefing session led by the NSS program coordinator, where the importance of cleanliness in academic institutions was emphasized. The volunteers were divided into teams and assigned specific areas of the campus to clean. The coordinator also highlighted the connection between a clean environment and mental and physical well-being, encouraging all participants to make cleanliness a daily habit.

The cleaning drive at institute, under Swachhata Hi Seva was a tremendous success, both in terms of improving campus cleanliness and fostering a culture of responsibility and awareness. The NSS volunteers, along with the institute staff and students, effectively contributed to maintaining the cleanliness of their educational institution, setting an example for future generations. The event also aligned with the goals of the Swachh Bharat mission, reinforcing the need for cleanliness and hygiene in educational settings.

Cleaning efforts within the institute premises

Seminar on Technology Evolution

- **Name of the Event** : Seminar on Technology Evolution
- **Date of Event** : 08th October 2024
- **Conducted by** : CSI Student Branch
- **Platform** : Seminar Hall

The CSI Student Branch organized an enlightening seminar on Technology Evolution for MCA 2nd-year students on October 8, 2024. The session featured Mr. Umesh Chaudhari as the esteemed resource person.

The seminar explored a range of topics, including:

- **Internet and Web Technologies:** Their architecture, applications, and real-world use cases.
- **Managing Technology Failures:** Insights into services and systems designed to mitigate the impact of technology crashes.
- **Cybersecurity Evolution:** Addressing the growing challenges and innovations in protecting digital assets.
- **Big Data and Analytics:** Unveiling the power of data in driving business decisions and innovation.

Mr. Umesh Chaudhari provided an engaging overview of technology evolution. Additionally, he highlighted the importance and benefits of certification courses in enhancing technical expertise and career prospects. The seminar proved to be highly impactful, providing students with a comprehensive understanding of advanced technologies and their applications. The session was well-received, with students expressing appreciation for its relevance in preparing them for the ever-evolving technological landscape.

“One Week Induction Program for First Year Students of BCA, BBA & BMS”

- **Name of the Event** : UG Induction Program
- **Date of Event** : 23rd October to 13th November 2024
- **Conducted by** : UG Department
- **Platform** : Class room

The Undergraduate Department of IMRD successfully organized a comprehensive one-week induction program under the guidance of Dr. Tushar R. Patel sir HOD of UG Department for newly admitted students of the BCA, BBA, and BMS programs, aligning with the AICTE guidelines. This program was designed to familiarize students with the institution's culture and academic environment, providing a warm and structured welcome to ensure a smooth transition into their academic journey. It offered students essential information and resources to prepare them effectively for their studies and overall life at the Institute. The induction program included an array of thoughtfully curated activities and sessions to enrich the students' orientation experience. Key highlights included a Welcome and Ice-Breaking Session to foster camaraderie among students, an Overview of the National Education Policy (NEP), Faculty Introductions, and sessions on the Entrepreneurship Development (ED) Cell, Examination System (academic policies and regulations), and the National Service Scheme (NSS). Other sessions covered diverse topics such as institutional culture, industry trends and requirements, internship and placement procedures, library orientation, business consultancy, physical and mental health awareness, certificate and online courses, cybersecurity and online safety, digital tools for learning, sports, leadership skills and roles, and problem-solving and decision-making.

The program witnessed enthusiastic participation from 330 students and was conducted in two phases: October 23–26, 2024, and November 12–13, 2024. Faculty members, along with dedicated senior student volunteers from the second and third years of BCA, BBA, and BMS programs, worked tirelessly to organize and execute the program. Their collaborative efforts ensured the program's success and left a significant positive impact on the new students, fostering a sense of preparedness, engagement, and motivation as they embarked on their academic journey.

Mr. Dinesh Borase leads warm welcome and interactive activities, setting the tone for a successful year

Students engage in fun and interactive activities, building bonds for a successful year ahead

MCA (Integrated) Bridge Course and Induction Program

- **Name of the Event** : MCA (Integrated) Bridge Course and Induction Program
- **Date of Event** : 23rd October to 26th October 2024
- **Conducted by** : MCA (Integrated)
- **Platform** : Class room

The MCA-I Department of the Institute successfully organized a Bridge Course for newly admitted MCA integrated students from 23rd October to 26th October 2024, followed by an Induction Program held from 5th November to 11th November 2024.

The primary objective was to facilitate a seamless transition of fresher's from their school and home environment to the college setting. Through engaging discussions and activities, the programs aimed to prepare students for this new chapter in their academic journey. The Bridge Course was specifically designed for students without a computing background, introducing them to the basics of computers before the commencement of their first semester. Various sessions were conducted to familiarize students with the significance of different academic subjects, helping them build a solid foundation for their studies.

1. **Computer Fundamentals**
2. **Mathematical Foundation**
3. **Professional Communication**
4. **Basics of C Programming**
5. **C Programming Lab Demonstration**

Day 1

The MCA Integrated Department inaugurated its Induction Program on 5th November 2024 with a series of engaging and interactive sessions to warmly welcome and orient new students. The activities on Day 1 were thoughtfully planned to acquaint students with the department's academic and cultural ethos, fostering a sense of belonging and enthusiasm among them.

Orientation Module 1: Welcome Address

The Head of Department (HOD) of MCA & MCA (Integrated) Mr. Manoj Behere extended a warm welcome to the students. The address focused on inspiring the students to embrace their academic journey, highlighting the vision, mission, and achievements of the department.

Head of Department Mr. Manoj Behere addressing students during the induction program

Orientation Module2: Overview of the MCA Program & Introduction to Departments/Branches

This session provided students with an in-depth introduction to the institution's various departments and branches. It also included an overview of the MCA program, detailing its structure, objectives, and the skills students will acquire throughout the course. Emphasis was placed on the interdisciplinary opportunities and resources available to foster holistic learning by Mrs. Rohini Patil

Mrs. Rohini Patil conducting session

Orientation Module 3: CSI and Exam Presentation

Society of India (CSI) team introduced its initiatives, workshops, and competitions, encouraging students to participate actively. Additionally, a detailed presentation on the examination system outlined academic policies, grading methods best practices for academic success by Mrs. Chhaya Patil and Mr. Vishal Pawar.

Orientation Module 4: Creativity Enhancement Activity

An engaging session designed to spark creativity and teamwork among students. Engage participants in activities designed to stimulate creative thinking and encourage out-of-the-box ideas by Mrs. Archana Jade.

Paper costumes designed by MCA-I student

Day 2

The MCA Integrated Department continued its Induction Program on 6th November 2024 with a series of engaging and informative sessions. Day 2 focused on equipping students with essential academic tools, technical knowledge, and values to support their academic and personal growth.

Orientation Module 1: Library Orientation

“Library Orientation Program” was organized for the first year students of MCA-I during induction program. In this program, all the newly enrolled students were given information of Reference Books & Text books, Research journals, magazines available in the library collection. Information regarding Library facilities such as Digital library with various E-resources ie. DELNET, NDLI, Shodhganga and other free e-resources was provided. Air Conditioned Reading hall is also made available for student's study purpose. Awareness of Circulation Service, library time table, OPAC, MOPAC available in the library was also created through PPT presentation. The objective of this program was to make aware new students with library collection, functioning of library and also rules & regulations of the library. It helped students to make use of library resources effectively and efficiently.

Mrs. Kavita Patil delivering session on Library facilities

Orientation Module 2: - Basic Concepts of DBMS

A fundamental session on Database Management Systems (DBMS), covering essential concepts and their applications in real-world scenarios. The session aimed to provide students with a strong foundation in data organization, management, and querying by Mrs. Rohini Patil Ms. Vishakha Magar.

Mrs. Rohini Pati conducting session n DBMS

Orientation Module 3: Virtual Lab Presentation

Students were introduced to the institution's Virtual Lab, an innovative platform for online simulations and experiments. This session emphasized the importance of hands-on learning and demonstrated the tools available for exploring practical concepts remotely by Mrs. Chhaya Patil.

Mrs. Chhaya Patil conducting session on Virtual lab

Orientation Module 4: Universal Human Values - 1 (Peace)

This session focused on helping students understand the importance of peace, empathy, and good values in their lives. It encouraged them to respect differences, build good relationships, and stay calm and positive in all situations. The activities helped students think about how they can create a peaceful and happy environment around them.

Students Participated in Poster making activity

Day 3

The MCA Integrated Department continued its Induction Program on 7th November 2024, featuring five engaging and interactive sessions. Day 3 aimed to introduce students to valuable resources, skills, and values to support their academic and personal development.

Orientation Module 1: AICTE Internship Portal

Students were introduced to the AICTE Internship Portal, which offers a wide range of internship opportunities. The session guided students on how to register, apply, and gain industry experience to enhance their skills and career prospects by Ms. Harshada Chaudhari and Ms. Suchita Jadhav.

Orientation Module 2: Event Management Activity

A fun and collaborative activity where students learned the basics of organizing events. It emphasized teamwork, creativity, and leadership skills while engaging students in practical tasks by Mrs. Rohini Patil, Ms. Ayesha Pinjari.

Event Management Activity by Mrs. Rohini patil and Ms. Ayesha Pinjari

Orientation Module 3: AICTE Parakh Portal

This session familiarized students with the AICTE Parakh Portal, a platform designed to assess skills and knowledge. The students learned how to use it effectively for self-assessment and improvement by Mr. Vishal Pawar.

Orientation Module 4: NPTEL, Swayam, and Coursera Certificate Courses

A detailed presentation on various online learning platforms such as NPTEL, Swayam, and Coursera. Students were encouraged to explore these platforms for skill enhancement, certifications, and access to quality education beyond the classroom by Dr. Amit Patil

Dr. Amit Patil delivering session on certificate courses

Orientation Module 5: Universal Human Values - 2 (Power of Integrity)

This session focused on the importance of integrity in life. Students discussed how honesty and strong moral principles help build trust and lead to long-term success and happiness. Activities encouraged students to reflect on their actions and values by Mrs. Archana Jade.

Mrs. Archana Jade delivered an insightful session on the Power of Integrity

Day 4

The MCA Integrated Department hosted another exciting day of its Induction Program on 8th November 2024, featuring four diverse and engaging sessions. Day 4 focused on showcasing student talents, technical learning, and personal growth through values.

Orientation Module 1: Mini Project and Internship Program

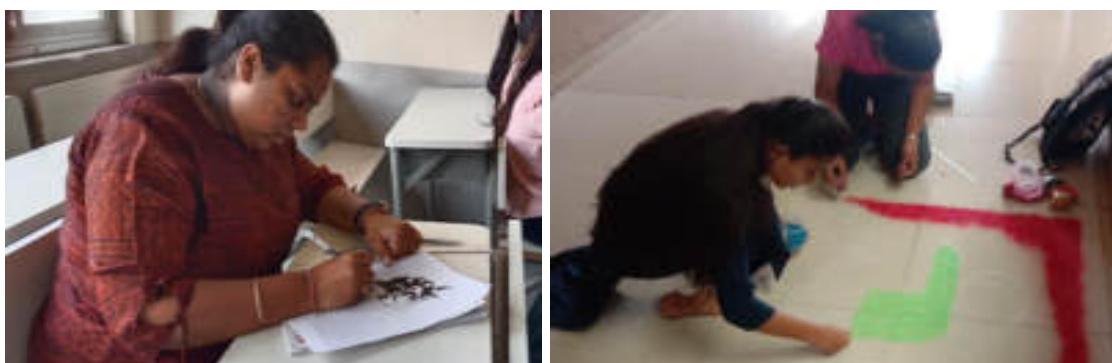

This session introduced students to the importance of mini-projects and internships as part of their academic journey. It highlighted how these opportunities help students gain practical knowledge, apply theoretical concepts, and prepare for industry requirements by Mrs. Dhanashree Patil, Ms. Roshni Baviskar.

Mrs. Dhanashree Patil delivered session Mini Project and Internship Program

Orientation Module 2: Talent Hunt (Singing, Dancing, Drama, Poetry)

A vibrant and engaging session was conducted where students showcased their talents through singing, dancing, acting, and poetry. This activity provided a platform for students to highlight their individual strengths, build confidence, and foster peer bonding. The session was organized under the guidance of Mr. Vivek Chavan, Mr. Harshal Bhamare, Ms. Bhagyashri Patil, and Ms. Roshani Baviskar.

Students were engaged in making Rangoli and Drawing

Orientation Module 3: Spoken Tutorial Presentation

Students were introduced to the Spoken Tutorial platform, which offers self-learning resources for various software and programming languages. This session encouraged students to enhance their technical skills through guided tutorials by Mr. V. M. Patil.

Mr. V. M. Patil conducting session on Spoken tutorial

Orientation Module 4: Universal Human Values - 3 (Love and Attraction)

This thoughtful session explored the concepts of love and attraction, focusing on understanding relationships, emotional well-being, and mutual respect. Students reflected on how these values shape personal and social connections by Mrs. Archana Jade.

Day 5

The MCA Integrated Department concluded the final day of its Induction Program on 9th November 2024 with three insightful and interactive sessions. Day 5 emphasized assessing knowledge, fostering collaboration, and exploring human values.

Orientation Module 1: Diagnostic Test

A diagnostic test was conducted to evaluate the students' understanding of fundamental concepts. This session aimed to identify their strengths and areas for improvement, helping faculty provide tailored academic support throughout the program by Ms. Ayesha Pinjari, Ms. Prerana Patil, Ms. Suchita Jadhav, Ms. Roshani Baviskar.

Students participated in Diagnostic Test

Orientation Module 2: Team Building Activity

This dynamic session focused on enhancing teamwork and collaboration among students. Through engaging group activities and challenges, students learned the importance of communication, coordination, and collective problem-solving by Mr. Amit Patil, Mr. Harshada Chaudhari, Ms. Prerana Patil.

Dr. Amit Patil and team organized team building activity

Day 6

The MCA Integrated Department wrapped up its Induction Program on 10th November 2024 with an engaging session that combined physical activity, relaxation, and mental well-being. Day 6 focused on fostering a healthy body and mind to prepare students for their academic journey ahead.

Orientation Module 1: Sports Activities, Yoga, and Mindfulness Session

The day began with a series of fun and interactive sports activities, promoting teamwork, energy, and physical fitness. This was followed by a calming yoga session, which emphasized flexibility, strength, and balance. The mindfulness session rounded off the day, helping students learn techniques to reduce stress, improve focus, and maintain mental clarity by Ms. Pooja Jain, Ms. Bhagyashree Patil, Mr. Harshal Bhamre, Mr. Shreeyash Patil.

Students participated in Sports Activities

Day 7

The MCA Integrated Department continued its Induction Program on 11th November 2024 with three insightful sessions designed to enhance awareness, skills, and connections. Day 7 aimed at equipping students with essential knowledge about cyber safety, effective time management, and introducing them to their faculty mentors.

Orientation Module 1: Cyber Security and Cyber Law

This session provided students with crucial insights into the world of cyber security and laws related to online activities. Topics included protecting personal data, recognizing cyber threats, and understanding the legal frameworks for safe internet usage. Students learned how to stay secure in the digital age and avoid common cyber pitfalls by Dr. Amit Patil.

Cyber Security and Cyber Law basics was taught by Dr. Amit Patil

Orientation Module 2: Time Management Activity

A hands-on session designed to teach students the importance of managing their time effectively. Through interactive activities and discussions, students explored strategies to prioritize tasks, avoid procrastination, and balance their academic and personal lives efficiently by Mr. Roshani Baviskar, Mrs. Dhanashree Patil.

Students Engaged in Time Management Activity

Induction Valedictory Program

On 11th November 2024, the final day and valedictory session of the MCA Induction Program featured Ms. Divya Wani, Jr. Software Developer at BBD Software, Pune, as the Chief Guest. A distinguished alumna from the MCA-I Batch of 2021, Ms. Wani was warmly welcomed and felicitated by Hon. Director Dr. Vaishali Patil.

Mr. Manoj Behere, Head of the MCA Department, set the tone for the event by presenting the program's preface and delivering a summary report of the MCA Integrated Department. The winners of the Induction Program activities were awarded prizes by the dignitaries, celebrating their achievements.

In her engaging and insightful address, Ms. Divya Wani shared valuable guidance to enhance students' career and placement prospects. Through a dynamic presentation, she covered critical aspects such as:

1. **The importance of practical learning.**
2. **Enhancing coding skills.**
3. **Earning certifications.**
4. **Gaining experience through internships.**
5. **Developing strong communication skills.**
6. **Mastering interview techniques.**

The session was highly interactive and inspiring, leaving students motivated and well-informed. The attendees expressed their gratitude to the institute for organizing such a grand and impactful event.

Market Cleaning on the Occasion of Diwali

- **Name of the Event** : Market Cleaning on the Occasion of Diwali
- **Date of Event** : 27th October 2024
- **Conducted by** : National Service Scheme
- **Venue** : Local Market Area, Shirpur

The primary objective of the market cleaning activity was to contribute to the community by promoting cleanliness and environmental awareness, especially on the occasion of Diwali.

A total of 38 NSS volunteers from the Institute of Management Research and Development, Shirpur, actively participated in the market cleaning initiative. The students were guided and supervised by faculty members and NSS coordinators throughout the event.

The event began with a brief introduction on the importance of cleanliness and hygiene, specifically during the Diwali festival. Volunteers were provided with necessary cleaning equipment, including gloves, brooms, trash bags, and masks, to ensure their safety during the activity.

This program was successful under the guidance of Hon. Director Dr. Vaishali B. Patil, Prof. Manoj Behere HOD of the PG Department, Dr. Manoj Patel, IQAC Coordinator, and Dr. Tushar Patel HOD of the UG Department were remarkable. NSS Program Officer Mr. Yogesh Shetiya, Mr. Vitthal Patil, Mr. Vijay Garge coordinated the above program.

Seminar on “Role of Constitution in Safeguarding in Fundamental Rights”

- **Name of the Event** : Seminar on “Role of Constitution in Safeguarding in Fundamental Rights”
- **Date of Event** : 26th November 2024
- **Conducted by** : National Service Scheme
- **Venue** : Seminar Hall

The NSS Unit of the Institute organized a significant program on the occasion of the Amrit Mahotsav of Constitution Day. The event was inaugurated with heartfelt gratitude paid to Bharat Ratna Dr. Babasaheb Ambedkar, the architect of the Indian Constitution. Additionally, a poignant tribute was offered to the martyred police officers and personnel of Mumbai Police who sacrificed their lives in the 26/11 terror attacks. The program commenced with an insightful preface delivered by Mr. Vijay Garge, who highlighted the duties of students as responsible young citizens of India. He emphasized how fulfilling these duties could contribute to India’s vision of becoming a global superpower and an economic leader. Institute students Ms. Shreya Amit Bhavsar, Ms. Roshni Shinde, and Mr. Yashwant Vinod Patil shared their perspectives during the program. They eloquently spoke about the significance of the Constitution, describing it as the soul of India and shedding light on its remarkable characteristics. Dr. Yogesh Shethiya, Program Officer of the NSS Unit, provided comprehensive guidance on the occasion. His address highlighted the power and significance of a democratic constitution, the role it plays in empowering citizens, and an overview of fundamental rights and duties enshrined in it. This was followed by a collective reading of the Preamble of the Constitution, reaffirming the principles of justice, liberty, equality, and fraternity.

The success of the event was ensured under the guidance and mentorship of the Institute’s leadership, including Director Dr. Vaishali Patil, Head of the MCA Department Mr. Manoj Behere, IQAC Coordinator Dr. Manoj Patel, and Head of the UG Department Dr. Tushar Patel. The event was seamlessly coordinated by a dedicated team comprising Mrs. Jyotsna Mali, Ms. Harshada Chaudhary, Ms. Visakha Magar, and other committed staff members. Their collaborative efforts, along with the active participation of volunteers, students, and parents, made this national event a grand success.

Dr. Yogesh Shethiya NSS Officer, delivered a speech on- Role of Constitution in Safeguarding in Fundamental Rights

Ms. Shreya Amit Bhavsar delivered a Speech on features of Indian Constitution.

Expert Talk on the Occasion of University Anniversary Day and University Name Extension Day

- **Name of the Event** : Expert Talk
- **Date of Event** : 12th August 2024
- **Conducted by** : Student Development Department
- **Venue** : Seminar Hall

The Student Development Department in association with the NSS unit of R.C. Patel Educational Trust's, Institute of Management Research and Development, Shirpur organized an Expert Talk on the occasion of University Anniversary Day and University Name Extension Day on 12th August 2024. The objective of this Expert talk was to make student aware about university anniversary day and university name extension day.

Resource person for this expert talk was Mr. Vijay Garge. In the opening remark he gave insight about history of North Maharashtra University using power point presentation. During session sir highlighted various landmarks and achievement made by university. Name and tenure of every vice chancellor was shown by the resource person.

Sir also highlighted significant contribution made by Kavyitri Bahinabai Chaudhari and why her name was given in the extension. Total 62 students attended this expert talk. Mr. Sachin S. Surana proposed vote of thanks.

This expert talk was conducted under the guidance of Director Dr. Vaishali B. Patil, Assistant Director Mr. Manoj Behere, IQAC Co-ordinator Dr. Manoj B. Patel, HOD of UG. Dr. Tushar Patel. To make this event successful Student Development officer Dr. Manoj S. Sonawane, Assistant Student development officers Mrs. Chhaya S. Patil and Mr. Sachin S. Surana, NSS Programme Officer Dr. Yogesh C. Shehitya took efforts.

Mr. Sachin S. Surana delivering preface

Expert Talk on the occasion of University Anniversary Day and University Name Extension Day

Tiranga Abhiyan - 2024

- **Name of the Event** : Tiranga Abhiyan-2024
- **Date of Event** : 13th August 2024
- **Conducted by** : National Service Scheme
- **Venue** : Wanaval Village and RCPET's IMRD

RCPET's IMRD, Shirpur, organized the "Tiranga Abhiyan - 2024" campaign on 13th August, 2024. This initiative aimed to raise awareness about the national flag, encourage its purchase, and motivate the community to hoist the Tiranga at their homes.

NSS volunteers conducted multiple awareness drives to educate students and the local community about the historical and cultural importance of the Tiranga. Volunteers actively promoted the purchase of Tiranga flags, highlighting the significance of supporting local artisans and vendors.

Volunteers visited NSS village Wanaval, urging residents to participate in the campaign by flying the national flag at their homes. Extensive door-to-door campaigns were organized to personally invite villagers to join the initiative.

The 'Tiranga Abhiyan-2024' campaign at RCPET's IMRD Shirpur was a resounding success, achieving its goals of raising awareness about the national flag and encouraging its widespread display. The collaborative efforts of NSS volunteers, staff, and the local community played a crucial role in the campaign's success. This initiative not only celebrated the spirit of independence but also strengthened the bond between the institution and the local community.

The success of this event was made possible through the guidance and support of Hon. Director Dr. Vaishali B. Patil, IQAC coordinator Dr. Manoj B. Patel, NSS Program Officer Dr. Yogesh Shethiya, Mr. Vijay Garge, Mr. Vithhal Patil and Mrs. Jyotsana Mali. Their collective efforts ensured the smooth coordination and execution of the program, making it a memorable and impactful event for all participants.

Tree Plantation Drive on the Occasion of Independence Day Celebration

- **Name of the Event** : Tree Plantation Drive
- **Date of Event** : 15th August 2024
- **Conducted by** : National Service Scheme
- **Venue** : RCPET's IMRD campus and Residential Areas

On 15th August 2024, NSS unit of RCPET's Institute of Management Research and Development, Shirpur, organized a "Tree Plantation Drive" to commemorate Independence Day. The event aimed to promote environmental sustainability, patriotism, and community engagement. The event commenced at 7:20 am with a flag hoisting ceremony held on the ground. The ceremony instilled a sense of national pride and unity among the participants. Following the flag hoisting, a patriotic rally was conducted, starting from the Institute campus and proceeding through Karvand Naka, colony areas, and Shahada road. The rally aimed to promote national unity and pride, with participants displaying patriotic slogans and banners.

The tree plantation drive began at the Institute campus and extended to the volunteers' residential areas. The NSS unit distributed plants to volunteers, who were encouraged to plant trees in their respective areas and ensure proper care and maintenance. The drive was conducted under the theme "एक पेड़ माँ के नाम" (One Tree in Mother's Name), emphasizing the significance of nurturing nature as a tribute to motherhood. The drive significantly contributed to environmental sustainability by increasing green cover in the campus and residential areas. The combination of the rally and tree plantation activities fostered a strong sense of patriotism and community engagement among participants. The event successfully promoted social responsibility and leadership among volunteers, encouraging them to take an active role in community development and environmental conservation. The enthusiastic participation of volunteers and staff members ensured the effective execution of the event, promoting key values of environmental sustainability, patriotism, and community responsibility.

The success of this event was made possible through the guidance and support of Hon. Director Dr. Vaishali B. Patil, IQAC coordinator Dr. Manoj B. Patel, NSS Program Officer Dr. Yogesh Shethiya, Mr. Vijay Garge, Ms. Harshada Choudhari and Ms. Vishakha Magar. Their collective efforts ensured the smooth coordination and execution of the program, making it a memorable and impactful event for all participants.

One Week Staff Orientation Program

- **Name of the Event** : Staff Orientation Program
- **Date of Event** : 20th August 2024 to 27th August 2024
- **Conducted by** : Staff Welfare Committee
- **Venue** : Seminar Hall

Institute Staff Welfare committee organised one week, 'Staff Orientation Program' for faculty members. This program was conducted in two slots for faculty members. The objective of this one week Staff Orientation Program was to deliver the information about Institute committees, working culture, NAAC policies, best practices, research motivation schemes, research resources at institute library, Course outcome and Program outcome attainment as per NEP-2020 which are essential for Institute and faculty progression. Respected Director Dr. Vaishali B. Patil madam took session on 'Institute overview and management initiative for faculty progression'. Mr. Sumit Sagale sir gave overview of 'Timelab Software, document compliance for research financial assistance'. IQAC coordinator Dr. Manoj B. Patel sir took session on different committee's roles and responsibility towards NAAC documentation and records for academic performance indicators. Respected Assistant Director Mr. Manoj Behere sir conducted session on academic diary content and record. Respected HOD of UG Dr. Tushar Patel sir introduces examination structure, Course outcome and Program Outcome Attainment. Dr. Yogesh Shethiya sir introduces approaches to workplace excellence. Mrs. Kavita Patil madam introduced library assets and library systems available for staff and research tools.

Campus Credential 10 Days Employability Skills Development Program BCA 2025 Batch

- **Name of the Event** : Campus Credential 10 Days Employability Skills Development Program BCA 2025 Batch
- **Date of Event** : 12th August 2024
- **Conducted by** : Training and Placement Cell
- **Venue** : Seminar Hall

The Training and Placement Cell of RCPET's IMRD organized a 10-day Employability Skill Development Program for the BCA 2024 batch, held from 22nd August to 2nd September 2024 at the institute, running daily from 9 AM to 5 PM. During this program, students received training in the following areas:

- Aptitude Skills
- Logical Reasoning
- Reading Comprehension
- Communications Skills
- Interview Skills
- Group Discussion
- Soft Skills

Mr. Sumit Gaikwad from Pune served as the resource person responsible for training students in aptitude and logical reasoning. He covered various topics in aptitude, including time, distance, speed, ratio and proportion, mean, mode, median, profit and loss, and data interpretation. Ms. Sapna Sood from Pune led the sessions on communication and soft skills, addressing critical areas such as resume writing, vocabulary, interview skills, personality development, and group discussions. A total of 156 third-year BCA students participated in the event. The Training and Placement Officer, Mrs. Archana Jade, along with Mrs. Sapana Yeshi, Mr. Dinesh A. Borase, Mr. Kedar Apte, Ms. Kirtika Behere, Mrs. Jyotsna Mali, and the BCA faculty, provided significant support, contributing to the program's success.

- **Name of Alumni** : Rahul Rohidas Dhangar
- **Program/Passing Year** : BBA/2013
- **Current Position** : Dental Assistant
- **Organisation** : Sub-Divisional Hospital (SDH), Chopda, District Jalgaon
- **Achievement Title** : Serving the Community as a Dedicated Dental Assistant under Maharashtra Government

Rahul Rohidas Dhangar, an esteemed alumnus of IMRD, has made significant strides in his professional journey as a **Dental Assistant at Sub-Divisional Hospital, Chopda**. His role under the **State Government of Maharashtra** is pivotal in delivering essential dental care services to the community. This achievement exemplifies Rahul's commitment to public health, reflecting his ability to apply the management and organizational skills gained during his BBA program to serve in a healthcare setting.

Rahul's dedication to his profession underscores the versatility and practical application of education provided by IMRD. His contributions ensure accessible dental care for underserved populations, fostering a healthier and more aware community. By combining his academic foundation with hands-on expertise, Rahul has emerged as a vital part of Maharashtra's healthcare infrastructure.

This achievement highlights the impact of IMRD alumni in diverse fields, showcasing how skills honed at the institute can lead to meaningful contributions in both professional domains and community service.

- **Name of Alumni** : Brajesh Tulsidas Patel
- **Program/Passing Year** : BBA/2024
- **Current Position** : ED Cell Start-up Coordinator
- **Organisation** : Dr. D.Y. Patil Institute of Management Studies, Akurdi
- **Achievement Title** : Appointment as ED Cell Start-up Coordinator

Brajesh Tulsidas Patel, a proud alumnus of RCPET's Institute of Management Research and Development (IMRD), was recently appointed as the Entrepreneurship Development (ED) Cell Startup Coordinator at Dr. DY Patil Institute of Management Studies (DYPIMS), Akurdi. This significant role highlights his exceptional leadership and organizational skills nurtured during his time at IMRD.

On **19 October 2024**, Brajesh was honored by **Rakshyit Shukla**, Member of Pune Management Association (PMA) and Founder & Director of Wwings Infra Solution Pvt Ltd, recognizing his contribution to fostering entrepreneurial growth. This role reflects Brajesh's commitment to creating an ecosystem that inspires and supports budding entrepreneurs.

As the ED Cell Startup Coordinator, Brajesh is entrusted with organizing workshops, mentorship programs, and networking events that provide students with valuable insights into the startup ecosystem. His efforts aim to bridge the gap between academic learning and practical entrepreneurship, empowering students to explore innovative solutions and business ideas.

This achievement showcases the impact of the comprehensive education and skill-building opportunities offered at IMRD. Brajesh's success is an inspiration to the IMRD community, demonstrating how dedication and a strong educational foundation can lead to influential roles that drive meaningful change within an institution and the broader entrepreneurial ecosystem.

We congratulate Brajesh on this remarkable accomplishment and wish him continued success in his endeavors to shape the future of aspiring entrepreneurs.

- **Name of Student** : Bohari Zahabiyah Husaini
- **Program/Year** : BCA Third Year
- **Achievement Title** : Internship Completion at SLMT Technology Pvt. Ltd.

Bohari Zahabiyah Husaini, a dedicated BCA Third Year student, has successfully completed a three-month internship at SLMT Technology Pvt. Ltd. (13 May 2024 – 13 August 2024) as a frontend developer. During this period, she made significant contributions by working on an e-commerce website project for a client and developing several mini websites. These accomplishments reflect her technical expertise in web development and her ability to create user-friendly, visually appealing, and responsive designs.

Through this internship, Zahabiyah had the opportunity to apply her academic knowledge to real-world challenges, bridging the gap between theory and practice. By leveraging modern web technologies and frameworks, she demonstrated exceptional problem-solving abilities and an innovative approach to web development. Her work not only met the technical requirements of her projects but also highlighted her commitment to delivering impactful digital solutions that benefit clients and end-users alike.

This achievement is a testament to her skill development, showcasing her readiness to contribute effectively to the tech industry. It also underscores the quality of education and hands-on training provided by our institute, preparing students to excel in their chosen fields.

Zahabiyah's success story serves as an inspiration to her peers and emphasizes the importance of internships in building a strong professional foundation. Her dedication and accomplishments reflect positively on her potential to take on more challenging projects and make meaningful contributions to the web development domain in the future.

IMRD Student Bohari Zahabiyah Husaini successfully completed a three-month internship at SLMT Technology Pvt. Ltd.

- **Name of Student** : Patel Khushi Satish
- **Program/Year** : BCA Third Year
- **Achievement Title** : Power BI Certification and Effective Presentation Skills Certification

Khushi Patel, a TYBCA student, has earned two remarkable certifications that reflect her dedication to both technical expertise and personal development:

1. **Power BI Certification: Mastering Data Visualization and Business Intelligence:** This certification showcases Khushi's proficiency in data visualization and analytical tools, a critical skill in the IT and business sectors. By mastering Power BI, Khushi has enhanced her ability to create interactive and insightful dashboards, enabling effective decision-making. This achievement not only highlights her technical expertise but also aligns with the institute's focus on empowering students with industry-relevant skills.
2. **Effective Presentation Skills Certification:** Completing this course has been a transformative journey for Khushi, helping her develop the confidence and capability to deliver engaging, informative presentations. This certification demonstrates her commitment to mastering communication, an essential skill for professional and academic success. Her ability to convey complex ideas effectively reflects her holistic development and readiness to excel in her career.

Khushi's achievements underline her dedication to academic excellence and self-improvement, setting an inspiring example for the IMRD community. These skills will undoubtedly have a positive impact on her field and community by fostering informed decision-making, effective communication, and collaborative growth.

- **Name of Faculty** : Dr. Amar K. Gaur
- **Department** : Under Graduate (BCA/BBA/BMS)
- **Designation** : Assistant Professor
- **Achievement Title** : Completion of Ph.D. in Commerce and Management

Dr. Amar K. Gaur has achieved a remarkable milestone by completing his Ph.D. degree under the Faculty of Commerce and Management from Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The title of his research thesis is *"A Study on Causes of Labor Turnover and Retention Strategies of Management in Textile Industry with Special Reference to Dhule District."*

The research was guided by Dr. Patil Bhagyashri Dinesh. This significant achievement contributes to addressing critical challenges in the textile industry by exploring the root causes of labor turnover and developing effective retention strategies. The study offers valuable insights into labor management practices, which have practical implications for enhancing productivity and fostering sustainable growth in the textile sector.

This accomplishment reflects Dr. Gaur's dedication to academic excellence and research impact, and it serves as an inspiration to the IMRD community. His work not only highlights the importance of applied research in regional industries but also reinforces the institute's commitment to fostering scholarly achievements among its faculty.

We extend our heartfelt congratulations to Dr. Amar K. Gaur for this outstanding academic achievement!

Dr. Amar K. Gaur received Ph.D Degree from Hon. Prof. V. L. Maheshwari, Vice-Chancellor of KBC NMU, Jalgaon
