## Tree Plantation by IMRD

Tree plantation was done by Institute of Management Research and Development on 1<sup>st</sup> Aug 2018 at Ambe. The purpose of tree plantation is to save the endangered environment and to beautify our life. Our environment is very important to us because it influences our life. We depend largely on the environment for survival. Environment is our surrounding which makes up the relationship of people, animals, plants, and even non-living things. As a part of our Corporate Social Responsibility IMRD has taken initiative to plant multiple trees at the Diploma College garden.

All the UG and PG faculties, students from all departments participated in this activity and planted multiple trees. All the teaching and non-teaching faculties gave their great support to make this event successful.

## 2. Industrial visit at Jain Irrigation System Ltd., Jalgaon

### Industrial visit at Jain Irrigation System Ltd., Jalgaon

KBC North Maharashtra University has introduced a new subject in the Bachelor of Business Administration from the academic year 2018-19. The basic objective of the subject as well as practical is that the students should understand the efforts of the government to boost this crucial sector. State & Central government is offering the bunch of various grants, subsidies to the Micro, Small & Medium sector enterprises through various programs.

On 13<sup>th</sup> October 2018 students of second year BBA had a chance to practically visit one of the best industries in the world in agriculture sector i.e. Jain Irrigation Systems Ltd., Jalgaon.

Total 41 students along with Mr. Amul Tamboli & Ms. Seena T. headed towards Jain Irrigation. The industry is located at around 110km from Institute. All the students and faculties reached to industry and were received & greeted by Mr. Chinmay Joshi, Public Relations Officer (Jain Irrigation Systems Ltd.). Initially he has given the basic information about the industry from inception to the present, various important milestones in the journey of company, its methodologies to deal with farmers & agriculture sector. He explained how innovative the company is working keeping farmers in the central roles. Various products & services offered were discussed in details. All students witnessed the entire awards the company received till now. There are various units of the company each specializing in its work. Most of the machineries & techniques are imported from the top economies of the world & practicing in India at this facility only. Increasing the theory knowledge as well as practical application of the same was the basic motive behind organizing this Industrial visit at Jain Irrigation Systems Ltd.

Students got the required information & knowledge about work culture of top companies in the agriculture sector through these interactions. Students witnessed various applications & technologies supported by IT functions, Infrastructure and campus facilities provided by Jain Irrigation Systems Ltd. in the factory premises. All the students enjoyed this outing. This industrial visit has clarified many doubts in the minds of students of second year BBA which they have learned during the lectures of subjects in the syllabus. This has made them to realize:

How the government is helping to motivate the small & medium scale industries across India & various states? & what are the various subsidies & incentives reserved for this sector? The major focus was to study all the initiatives of state government of Maharashtra as well as central government towards the overall industrial development in economy. Students have prepared various reports in earlier practical of the same subject. This visit has added a good value to the overall understanding of both the subject as well as practical in the real way. Students clarified their doubts on various concepts during the visit & submitted the report in the journal in the subject practical file. The visit ended with a positive note from Joshi sir (PRO)

During this week Road Safety & Traffic Awareness Training Programme and Slogan Competition was organized to bring more awareness among youth. "It is necessary that everyone should follow traffic rules. All those rebels who don't care to follow the rules are in constant danger. It is our moral duty to follow road safety rules", following words were said by Dr. Vaishali B Patil, Director of Institute on the account of road safety awareness week.

On 28<sup>th</sup> Dec. 2020, first day of the road safety awareness week Mr. Mayur Bagul was the resource person of the session who guided BCA-I students on various traffic rules & safety measures. On 30<sup>th</sup> Dec. 2020, Mrs. Sonali Pawar was the resource person who awared BBA-I students about this initiative. On 1<sup>st</sup> Jan. 2020 again Mr. Mayur Bagul addressed students of BMS-I & NSS volunteers about this road safety initiative in details. These eminent speakers from the foundation commonly addressed following crucial points related to the road traffic & safety awareness measures to our students.

Following points were covered during these online training programs related to Road safety & accidents: A major issue in India & at Global level:

- Increasing number of vehicles on the roads
- No Proper Parking & Overloading vehicles
- Not obeying the limit lines of a zebra crossing
- Wrong side driving & Wrong overtaking
- Don't Over speed your vehicles
- Non Violation of Traffic Rules

- Don't use Mobile Phone while driving
- Usage of Seatbelt & helmets while driving
- Don't drink and Drive
- Causes and consequences of road traffic crashes
- Legislation related to traffic accidents
- Understanding Traffic Control Devices (Traffic Signals, Road Signs and Road Marking)
- Understanding of Road Traffic Violations

Resource persons well explained the basics & statistics about the traffic & accidents occurring on the road that is very serious issue in the country as well as across the world. The Advantage Nashik Foundation, Nashik till date has trained almost 1.5laks students about this awareness campaign. With the same objective, Institute decided to provide these benefits to the students through this awareness week. Lakhs of people become disabled due to carelessness shown while not properly following traffic rules. The main cause for all the pain and loss of life is the fast and furious driving done by the people. We can stop these accidents if we follow the traffic rules properly. The main reason behind spreading traffic rule awareness is to make people aware about the astonishing numbers of victims in the fatal accidents mainly occurring because of their ignorance to traffic rules. He also gave information about "motor vehicle act and traffic rules" and also said that the best way to keep others and yourself safe is to follow proper traffic rules. Whenever you drive a car follow the traffic rules, it is important to wear helmet while driving a two wheeler, obey the traffic lights to avoid accidents. One should always wear seat belt while driving a car. Avoid rash driving as fast speed is the core reason of accidents. Always carry all the papers of the vehicle with you.

The first confirmed case of COVID-19 in India was reported in the southern state of Kerala on 30.01.2020, of a 20-year-old female returning from Wuhan. Sixteen months later, the reported cumulative case count stands at 2.83 Crores. Globally, India stands second only to the United States (US) in absolute numbers of cases. In proportion to India's entire population, the cases comprise to 2%. As on 3.06.2021, India has had over 3 Lakhs deaths due to COVID-19, the highest number in the world after the US and Brazil. In terms of deaths per million population, India's number is 234. India officially launched its COVID-19 vaccination drive on 16.01.2021, with two approved vaccines – Covishield and Covaxin. On 1<sup>st</sup> December 2021 RCPET's IMRD NSS Unit in association with Shirpur Municipal Corporation, Shirpur organized River Cleanliness Drive and Tree Plantation under Majhi Vasundhara Abhiyan. Cleanliness drive began by taking **Majhi Vasundhara Abhiyan pledge** which was given by Mrs. Deepali Salunkhe, Health Assistant, Municipal Corporation, Shirpur in presence of Hon. President Mrs. Jayshreeben A. Patel, Shirpur Municipal Corporation, Hon. Vice-President Mr. Bhupeshbhai R. Patel, Shirpur Municipal Corporation, Dr. Vaishali B. Patil, Director, RCPET's IMRD, Shirpur, Mr. Manoj N. Behere, Asst. Director RCPET's IMRD, Dr. Manoj B. Patel, IQAC Coordinator, RCPET's IMRD, Shirpur, HoD UG Mr. Tushar R. The **pledge** suggests small actions or changes to be taken daily by citizens so as to bring about positive changes in the environment.

Hon. President Mrs. Jayshreeben A. Patel, Shirpur Municipal Corporation, guided audience about Majhi Vasundhara Abhiyan and motivated for the same. NSS volunteers of Institute along with students, citizens and Shirpur Municipal Corporation employees participated in **River Cleanliness Drive and Tree**

**Plantation.** The volunteers worked hard from 9.30 am to 11.00 am and collected all kinds of non-degradable garbage – plastic, clothes, glass, fiber, POP idols, thermocol, etc. from the **bank of the river**. Rubber gloves, masks, and other instruments were provided for the safety of the students. The volunteers were provided with snacks and tea. It was disappointing to see the trees full of plastic bags, bottles, diapers, clothes, etc. and a river flowing through garbage piles. Volunteers worked hard to transform this dirty scene into a pleasant one. Hon. President Mrs. Jayshreeben A Patel appreciated work done by NSS Volunteers & students. Along with cleanliness drive, **Tree plantation Drive** implemented on the bank of river. Total 20 Neem trees were planted at river bank.

D.O. No. 8-14/2022-TS.V

Dear Dr. Pankaj Mittal,

As you are aware, 'Azadi Ka Amrit Mahotsav' (AKAM) is an ongoing celebration to commemorate the 75 glorious years of a progressive independent India. Under the aegis of AKAM, a campaign 'Har Ghar Tiranga' has been launched to encourage the citizens to hoist the National Flag of India in their homes. The Hon'ble Prime Minister of India has already held a meeting in this regard with Hon'ble Chief Ministers of all the States in this regard.

2. The broad contours and key enablers of the programme has already been finalized in a meeting of the Committee of Secretaries under the Chairmanship of the Cabinet Secretary. The educational institutions of the country have a huge role in making this campaign a great success. Accordingly, the following programmes have been proposed:

- Organise "Prabhat Pheris" between August 11-15, 2022 involving the students as well as local Youth Clubs, volunteers of NSS, NCC, etc.,
- Students may be encouraged to sell flags at their own neighbourhood to at least 5 more households,
- Hoist the National Flag at the household of all the students, faculty and staff during August 13-15, 2022.
- Take selfie with the flag and post it in the website <https://harghartiranga.com>. Simultaneously, one may Pin the Flag on the website as per their geographical coordinates.
- The websites of the institutions should simultaneously be updated to reflect similar changes and be in sync with the Har Ghar Tiranga website <https://harghartiranga.com> starting from 22<sup>nd</sup> July 2022.

3. In the above backdrop, I would request your support and leadership in encouraging all the officials working in your Institution as well as all faculty, staff and students engaged in all the educational institutions recognised by your institution to undertake the above activities and make the 'Har Ghar Tiranga' Campaign a resounding success. A weekly update of the activities undertaken may please be sent to the email ID [management-edu@nic.in](mailto:management-edu@nic.in).

With regards,

Yours sincerely,

महोदय,

राष्ट्रीय सेवा योजना योजना केंद्र व राज्य शासन अनुदानित असून या योजने मार्फत विविध उपक्रम राबविले जातात. आपल्या महाराष्ट्र राज्यामध्ये २ वर्षा नंतर गणेशोत्सव साजरा केला जात आहे. दि. ९/०९/२०२२ (शुक्रवारी) गणेश विर्सजन मिरवणूक असेल. तरी राष्ट्रीय सेवा योजना एककांनी आपल्या परिसरात पोलीस मित्र म्हणून वाहतूक नियंत्रणासाठी राष्ट्रीय सेवा योजनेचे स्वयंसेवक पाठवून सहभाग नोंदवावा. तसेच यावर्षी आपल्या परिसरात पाऊस जास्त झाल्यामुळे सर्व नदीना प्रमाणापेक्षा पाणी जास्त आहे. तर त्याठिकाणी स्वयंसेवक पाठवून गणेशमूर्ती विसर्जीत करण्यास मदत करतील. पर्यावरण संवर्धन करण्यासाठीचा हा एक प्रयत्न असून आपला तेवढे सहकार्य करावे आपेक्षा.

प्रस्तुत अनुषंगाने आपणास कळविण्यात येते की, सदर महाविद्यालयांनी रासेयो एककांना प्रेरित करावे. दि. १६/९/२०२२ केलेल्या कार्यवाहीचा अहवाल [nss@nmu.ac.in](mailto:nss@nmu.ac.in) या ई पत्त्यावर सादर करावा ही विनंती. कळवे.
