## **1. Tree Plantation by IMRD**

Tree plantation was done by Institute of Management Research and Development on 1st Aug 2018 at Ambe. The purpose of tree plantation is to save the endangered environment and to beautify our life. Our environment is very important to us because it influences our life. We depend largely on the environment for survival. Environment is our surrounding which makes up the relationship of people, animals, plants, and even non-living things. As a part of our corporate social responsibility IMRD has taken initiative to plant multiple trees at the Diploma College garden. All the UG and PG faculties, students from all departments participated in this activity and planted multiple trees. All the teaching and non-teaching faculties gave their great support to make this event successful.
